

HOW DO I CREATE A FACEBOOK ACCOUNT?

Peter Collin

A simple step-by-step guide for my granny to learn how to register on Facebook.

Step 1

Go to www.facebook.com/r.php

Step 2

facebook [Log Into Existing Account](#)

Create a New Account

It's free and always will be.

1. Name (First and Last name)
2. Email (@gmail.com)
3. Password
4. Birthday (Nov 1, 1983)
5. Gender (Female, Male)

[Create Account](#)

English (US) Українська Русский Magyar العربية Français (France) Türkçe Tiếng Việt Polski Español Português (Brasil) +

Activate Windows
Go to Settings to activate Windows.

Enter your name, email or mobile phone number, password, date of birth and gender.

Step 3

Confirm Your Email

To continue using Facebook, you'll need to confirm your email. Since you signed up with Gmail, you can do that automatically through Gmail.

Your Email [Gmail](#)

Invite all my contacts or add them as friends.

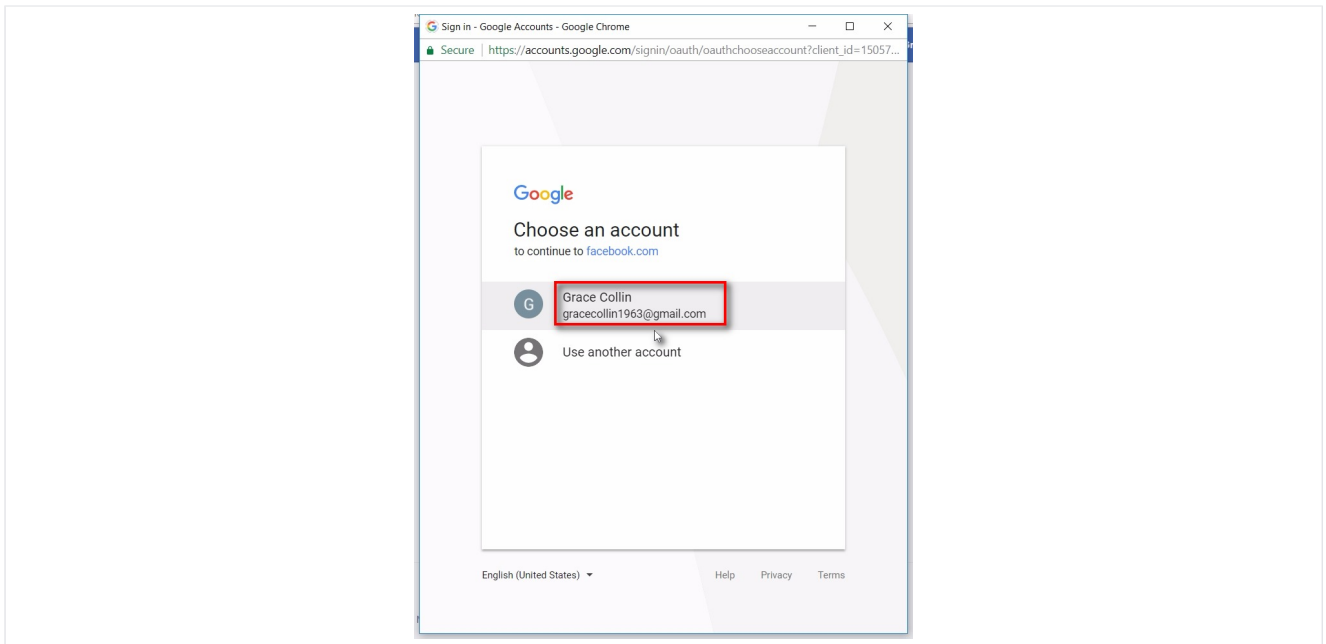

Enter Code [Update Contact Info](#) [Connect to Gmail](#)
